Financial *Department.*

SIR,

I have the honor to invite reference to the concluding portion of my letter of the 16th February 1932 re the investment of the funds belonging to the Sri Ranganathaswami temple at Sivasamudram and to state that it has been directed in G.O.No.1509-12/Mu.Da.107-31-2 dated 21st April 1932 that the collections of the Inam villages may ------ continue to be credited to the Deposit Head, Inam villages being under Government management. It is ascertained from the Amildar of the Malavalli Taluk that a sum of Rs.37,496-14-11 was available at the credit of the temple at the end of June 1932. In this account for further consideration whether such a balance may be allowed to remain without earning any interest as 3(c) of the draft scheme framed by the Hindu Religious Endowments Board of Madras contemplates that the accumulated income belonging to the institution shall be --- deposited by the non-hereditary Trustee in such bank or banks as may be approved by the Mysore Government and utilised only for the --- purposes of the Devasthanam. This scheme is however not agreed to by us; but in view of the complications that may --- likely to arise, I suggest that a sum of Rs.35,000/- out of the accumulated income may be invested as Government Promissory Notes if there is any financial objection.. I solicit an early reply

ers in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

Agricultural Commissioner.

The proposal of the M.C. as Trustees —

The proposal of the M.C. to invest Rs 30000/- out of the Accumulated Income in Savings Bank Deposit may perhaps be approved with Financial Concurrence.

21/7/32

Fin Secy)) of the amount is not required for Expt Court is available for Permanent investment only the interest thereon being required for Expts there is no objection to its being kept as SB. deposit even though it may mean payment of interest by Government

21/7.

I Secretary)) I think we can not reasonably refuse to give interest on this amount in deposit with Govt. We do not know when the amount may be required for expenditure the best course in the circumstances is to keep a sum of Rs 30000 - the amount proposed for investment by M.C - in an ordinary SB Acct in the Dcs Name and allow interest under SB rules the balance remains under fixed deposit head as now
